Here at [YourCommunityGuide.org](http://YourCommunityGuide.org), we wanted to help make your job as a parent or caregiver a little easier. The busy holiday season is right around the corner. That means school is out and your children are looking for something to do.

Did you know that several businesses in our community provide camps during local ISD's winter breaks? Letting your child participate in a fun camp while not in school is a great way to keep them active, healthy and safe...and maybe even learn a little something.

We have compiled a list of options for your children for Winter Break camp. We have also included many more camp options to get you thinking about spring break and summer camp. Your Community Guide members appear first on the list and then businesses are listed alphabetically in the categories of **Winter Break, Fine Arts, Sports, Educational, Residential** and **Special Needs**.

We hope you find this guide helpful. There is TONS more information online at [YourCommunityGuide.org](http://YourCommunityGuide.org) where we are always **Creating Connections For Caring Families**.
